WORK EXPERIENCE

PHOTOGRAPHER & VIDEOGRAPHER

Freelance | October 2025 - present

- Conceptualize, budget, schedule, and execute photo shoots and videos for clients and businesses.
- Photo and video editing using DaVinci Resolve 20.

RETAIL OPERATIONS SPECIALIST

GARAGE | August 2024 - present

- Oversaw backroom operations, including inventory receiving, organization, and storage to support smooth retail operations.
- Assisted with sales floor replenishment and customer service during high-traffic periods.
- Supported visual merchandising by preparing and staging products for floor displays and promotions.
- Fulfilled and processed customer orders efficiently, ensuring accuracy and timely delivery.
- Maintained a clean, safe, and organized stockroom environment in accordance with company standards and safety regulations.

EXTENDED CARE ASSOCIATE

BROADLY | June 2019 - December 2023

- Managing the inbound inquiries from consumers trying to reach a business via our Web Chat feature. This includes connecting business owners to their website visitors by using online tools for data entry, message classification, content matching, customer support (via email) and other projects.

PRESETUP SPECIALIST

BROADLY | June 2019 - December 2023

- Preparing the necessary tools for a new customer to get started, working with both Broadly's Sales team and Customer Success team to help local businesses improve their client communication, reputation management, and online marketing strategies.
